ACTIVITY BOOK

(Decorate the front cover of your book and share it on your socials with the hashtag **#koalakidscover**)

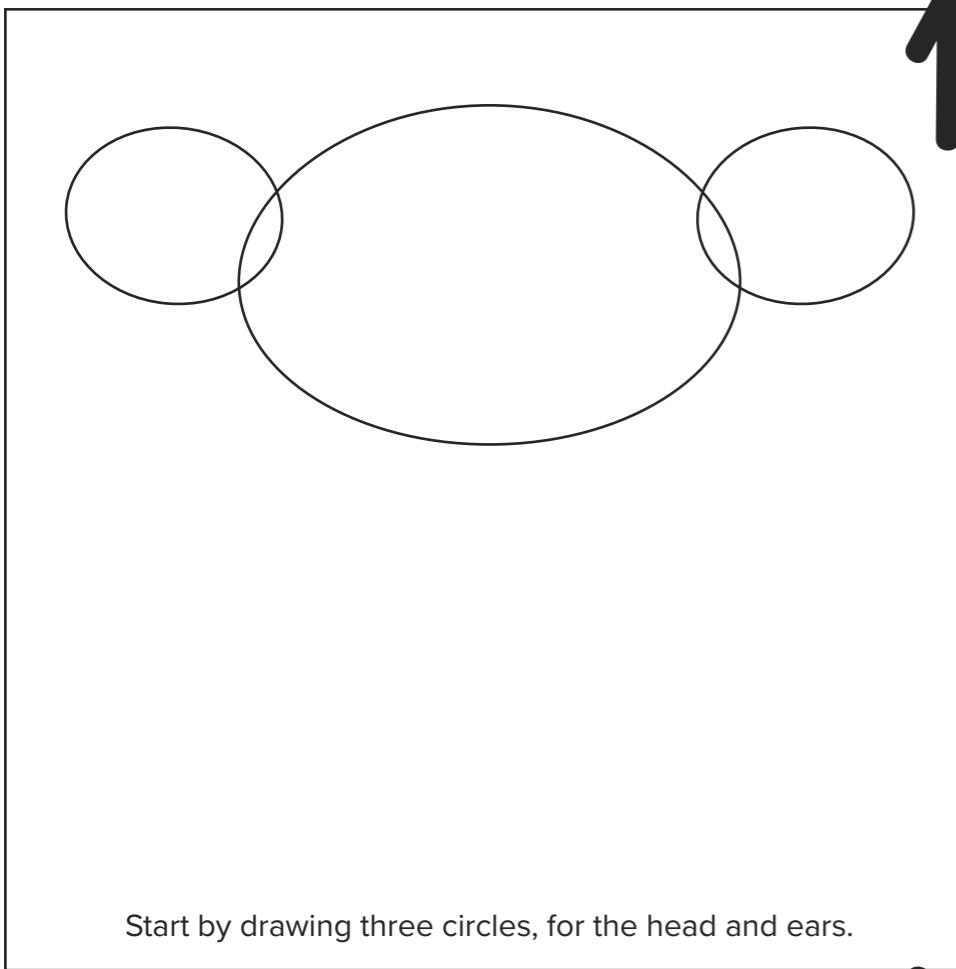

Hi everyone!

Being stuck at home all day's no fun,
So we've put together some puzzles and games,
To save all the grown-ups from going insane!

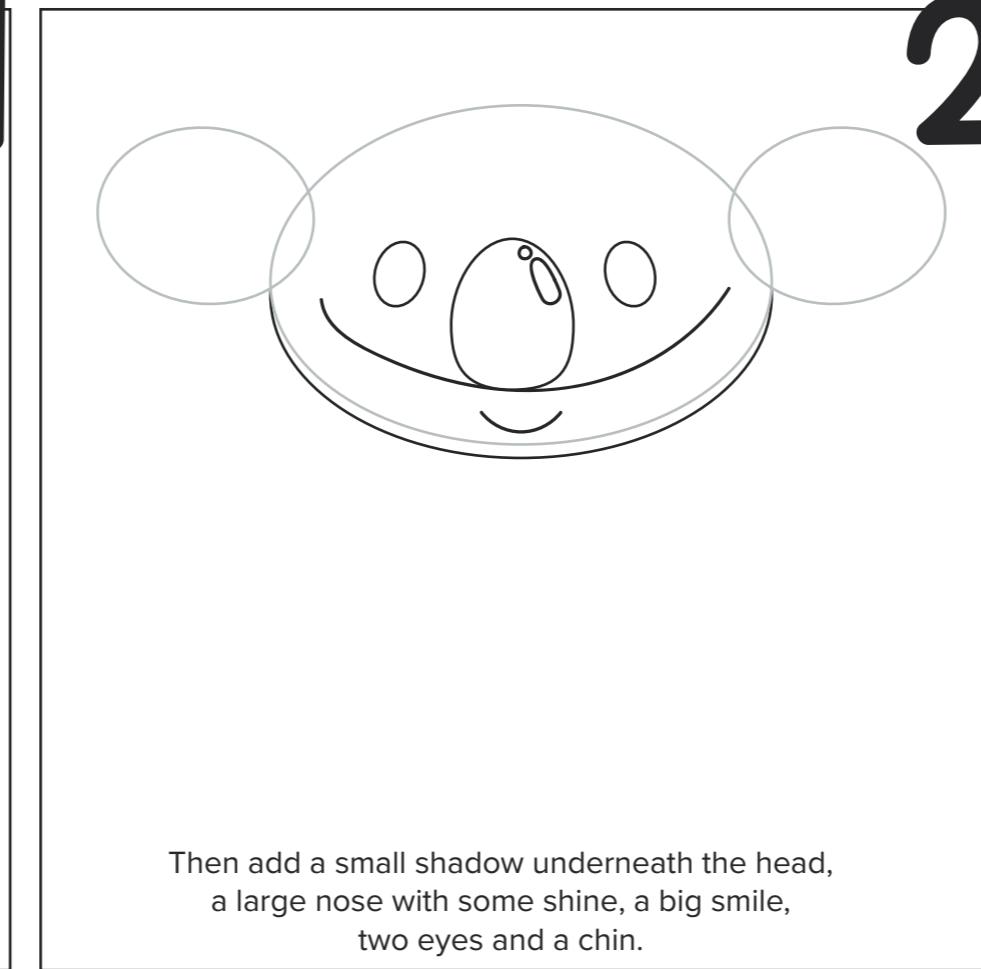

In the bottom right corner you'll see a few spots,
To let you know if its hard or not,
A really tricky puzzle, will have three,
Give them all a go if you'd like to see!

There's mazes and puzzles and pictures to draw,
Connect the dots and even some more,
We'd love to see your work when you're done,
And most importantly, we hope you have fun!

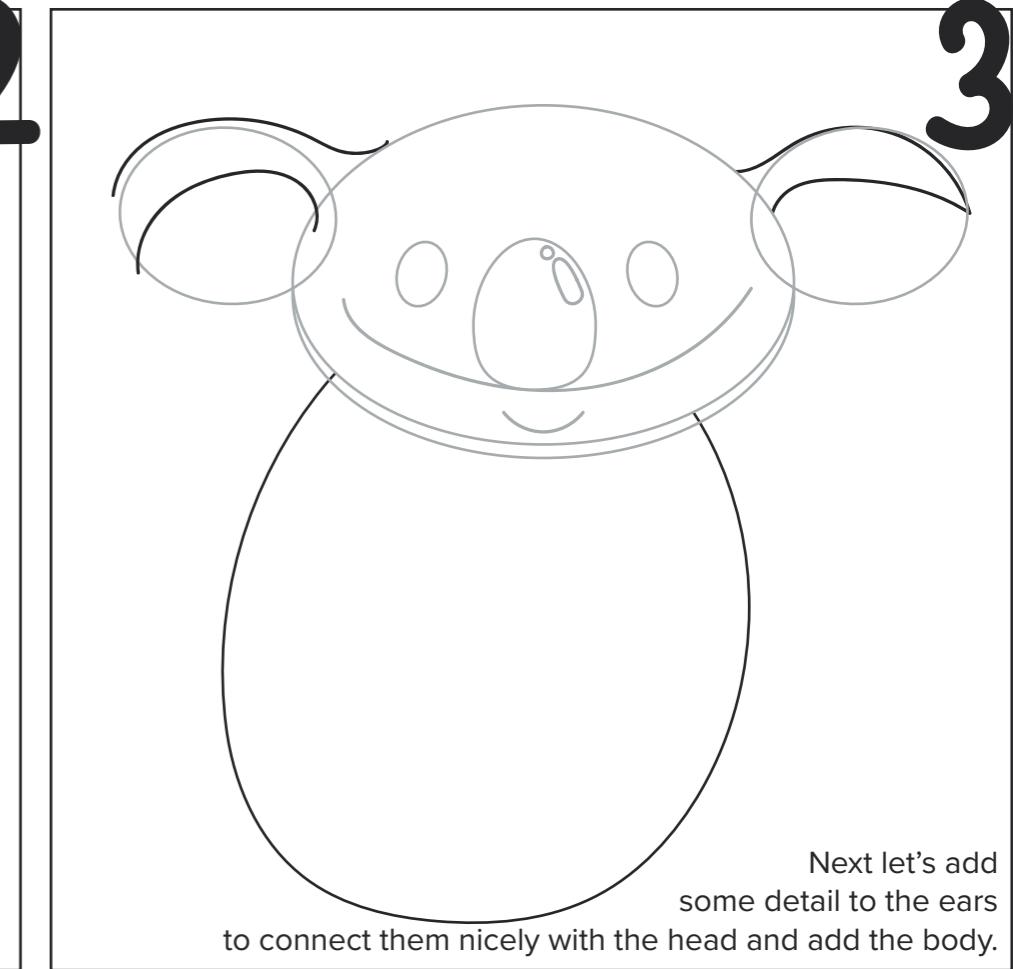

REDS - HOW TO DRAW A KOALA

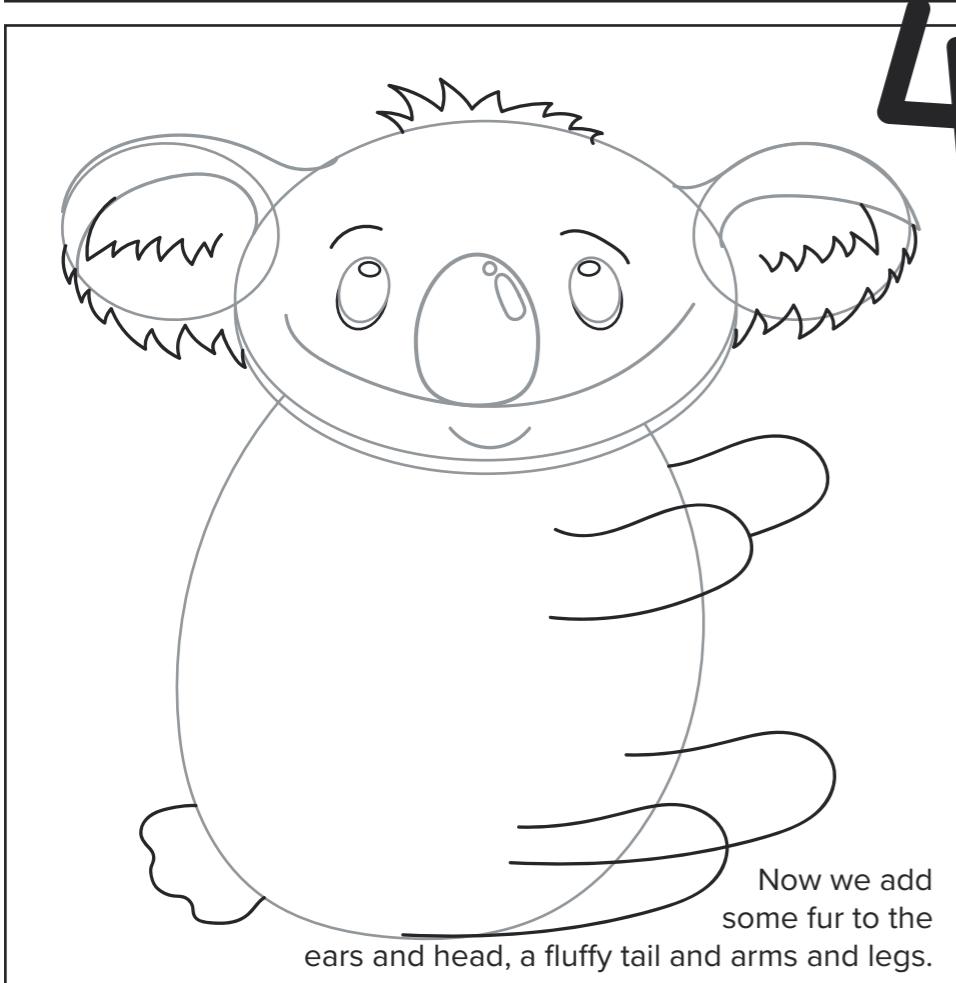

Start by drawing three circles, for the head and ears.

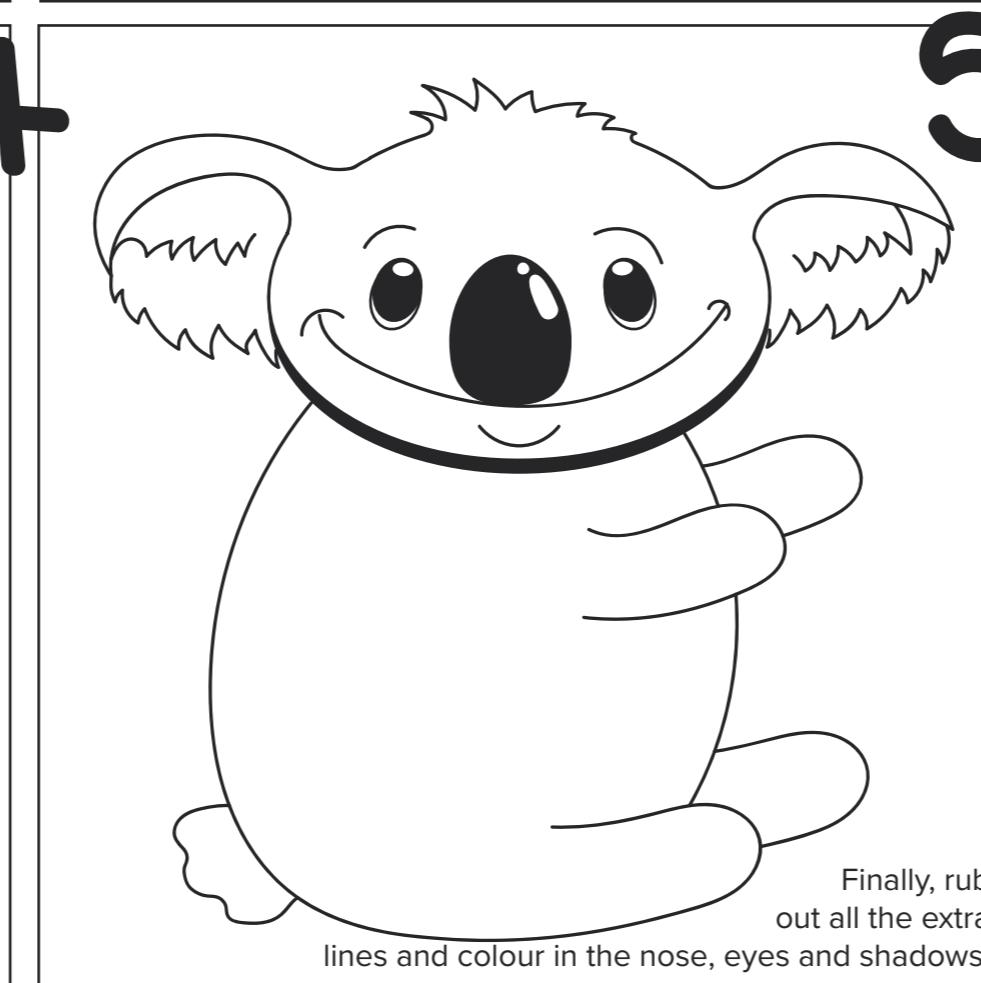

Then add a small shadow underneath the head,
a large nose with some shine, a big smile,
two eyes and a chin.

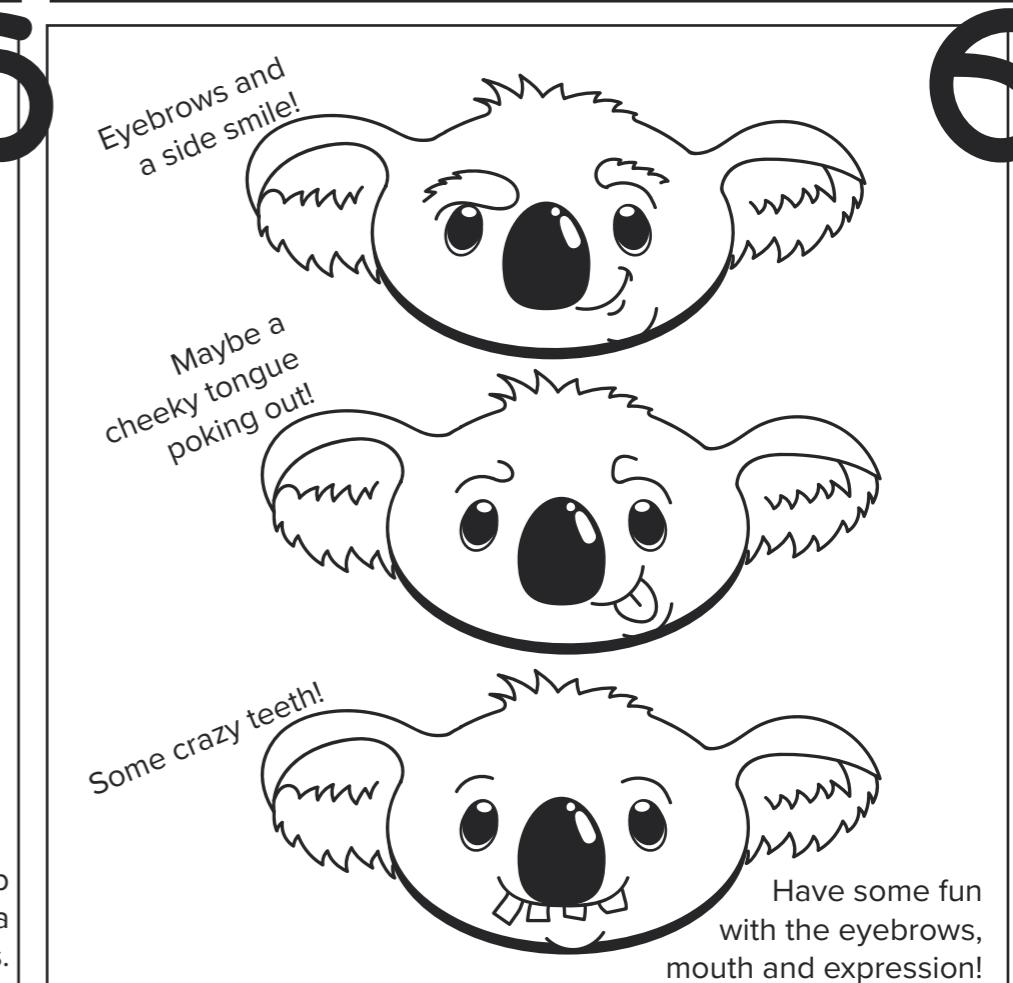

Next let's add
some detail to the ears
to connect them nicely with the head and add the body.

Now we add
some fur to the
ears and head, a fluffy tail and arms and legs.

Finally, rub
out all the extra
lines and colour in the nose, eyes and shadows.

Eyebrows and
a side smile!
Maybe a
cheeky tongue
poking out!
Some crazy teeth!
Have some fun
with the eyebrows,
mouth and expression!

(Hey everyone, if you have a go at drawing your own koala, hashtag #RedsRugbyKoalaDrawing, we'd love to have a look!)
