In observance of Women in Rugby Month, Lakapi Samoa aimed at the continuous growth of participation of girls and women in rugby. Moreover, was to provide educational opportunities for girls and women participating at all parts of the game.

Aligned with the World Rugby and Oceania Rugby full support to the need to encourage and support girls and women in their roles contributed to the theme "respect". The celebration was phenomenon as it continued to draw media attention for the Samoa Community to celebrate the achievements of girls and women in rugby. These stories and accomplishments are meant to be told and deserves a celebration.
