

Community Coaching Strategy 2023-2027

COACH
DEVELOPMENT

RUGBY
AU

Goal: Ensure all rugby players have access to a quality coaching experience

Initiative: To inspire and support coaches to be the best they can be in their chosen environment

RIGHT TRAINING

- Each coach has access to world leading contemporary training & education that builds their competence and confidence.

RIGHT ENVIRONMENT

- Each coach is guided on how to provide safe and welcoming learning environments by understanding their participant needs.

RIGHT SUPPORT

- Each coach is supported throughout their unique journey within a quality Coach Developer framework.

Through this we will have the right coach in every environment
