# President's Message

Season 2023 marked the 100th year of the Charter Hall Shute Shield and was a fitting end to the Premiership Rugby Season. Premiership Rugby and in particular the Charter Hall Shute Shield remain fiercely competitive. This is demonstrated by:

- Shute Shield average points difference was 11.56, the lowest for more than 10 years, and 44% of all games were decided by a margin of less than a converted try
- 5 Minor Premiers reaching their Grand Final across all grades & colts
- Numerous games being decided in the last 5 minutes of play or after the bell.
- Total crowds of over 15,000 over the 3 week finals series.
- An increase of 30% in total crowds across the season
- The other pleasing statistic is that there were less than 5% of forfeits across all grades and colts during the season.
- Player registrations increased from 2022, however we are still behind 2019 being the most comparable year.

SRU will continue to work hard with our Clubs to increase player numbers, have players of all skill levels playing Premiership Rugby and grow the game.

Congratulations to all the 2023 premiers and the winners of awards at the Ken Catchpole presentation night. They are all recorded later in this report.

With the support of our wonderful naming rights sponsor, Charter Hall, we presented the Charter Hall Community Spirit Award which recognises the fact that our sport is driven and would not exist without the tireless commitment of hundreds of volunteers. Congratulations to Richard Maude from Northern Suburbs on his well deserved recognition.

I'd like to pay tribute and thank our Competition Manager, Kerry Brady and GM, Peter Watkins for their professionalism and for the contribution and support of my fellow SRU directors.

We look forward to continuing to build with our clubs and stakeholders and crowning the 101st Charter Hall Shute Shield Champion in August 2024.

**Phil Garling AM**

# General Manager's Report

It is my pleasure to present the 2023 Sydney Rugby Union Annual Report.

2023 with COVID well and truly in the rear-view mirror was a successful year of Premiership Rugby across Sydney and Newcastle. Crowds increased 31.34% on 2022, and it culminated in a Shute Shield Grand Final day in the baking sun with Randwick being crowned our 100th Charter Hall Shute Shield Champion.

Congratulations to Randwick winning the club championship for the first time since 2003 and winning the Jeffrey Sale Grade Championships with 1st Grade, 3rd Grade, and 4th Grade all being crowned Champions. Likewise, Warringah Colts who dominated all season, to take home the 1st Colts Shield. Congratulations to all the Premiers, in such a tough fought competition it was pleasing to see such a spread of clubs in the Grade and Colts Grand finals days.

Charter Hall marked their third year as naming rights partner to the Charter Hall Shute Shield, and I would like to thank David Harrison and his team, namely Carla Gleeson for her valuable support and guidance in ensuring a successful partnership. I look forward to working with Charter Hall on furthering the partnership and continuing to highlight the Rugby Community and volunteers like Richard Maude the 2023 winner of the Charter Hall Community Spirit Award.

All Charter Hall Shute Shield games were shown Live, Ad Free and On Demand on Stan Sport. The hard work of Ben Kimber, Ben Jones and their team at Stan is beyond compare. James Harrison and the team at Nine Sport delivered games through NineGEM ensuring the Charter Hall Shute Shield remains the premier club competition in Australia and accessible for everyone to enjoy. FTA viewership increased 39% on 2022, and we continue to work with RA on making a better product each week. None of the production for broadcast would be possible without the hard work of Angus Pitt from Rugby Australia. Angus displays the professionalism and ability to adapt to any situation ensuring a premium broadcast product every week.

Congratulations to all the winners crowned at the Catchpole Medal Awards dinner. Always a fun night made possible with the assistance of Stan and our hosts Andrew Swain and Tim Horan. Their continued work and promotion of Club Rugby and Clubland doesn't go unnoticed. Michael Icely from Eastwood was crowned the 2023 Catchpole Medal winner and was the dominant player across the competition. Richard Manchee was named the Referee of the year and awarded the Dick Byers Medal.

I would like to pay tribute to Kerry Brady Competition Manager for Sydney Rugby. Kerry is someone who I heavily rely on, making Premiership Rugby successful. Thanks to Kerry on ensuring another season was a huge success.

Our 12 Premiership Clubs, Presidents, General Managers, Volunteers and fans all add to the fabric that is Premiership Rugby. All clubs are unique, and I thank you all for your guidance and support. Rugby is enhanced through the work all our clubs do to ensure success on and off the pitch.

To David Marshall President of the NSW Referees Association and Treasurer Paul Worsley, the game cannot be played without your valuable contribution and thanks for ensuring 2023 was a success. A special mention to Matt Kellahan on being awarded the duties of his first Charter Hall Shute Shield Grand Final. Matt wasn't being talked about at the end of the game and hopefully this will be the first of many to come.

Thanks for the SRU Board and namely Phil Garling AM who continues the challenge in moving the game forward. Thanks, Phil, for your guidance, assistance and direction.

**Peter Watkins**

General Manager

# Competition Manager's Report

The 2023 season culminated in a very successful finals series with the decision made to revert to the top 6 format over 3 weeks. Week 1 of the finals saw 9 of the 12 Premiership clubs compete in Grade and 7 compete in the Colts finals.

Grand finals for Grade and Colts were held over the weekend of 26th/27th August with Colts once again the encore for the Grade Grand Finals. Of the seven (7) grades contested the Minor Premiers of five (5) made it through to the Grand Finals. With the Finals series reverting to top 6 over 3 weeks total numbers in spectator attendance may be fewer but the monies raised was higher than 2022. The grade Grand Finals held again at Leichhardt Oval were well supported with the Randwick club dominating with appearances in 3 of the 4 grades and winning all 3. Colts on the Sunday at Concord Oval saw high quality games with very close results in all 3. The facilities at Concord were well suited for the Colts Grand Finals and appreciation goes to West Harbour for the organisation of the day.

The well supported Catchpole Dinner held on the Wednesday prior to the first round of Finals saw the Randwick Rugby Union club deservedly awarded the Gregor George Cup for the Club Championship. This prestigious award can only be won by a Club that consistently scores well and performs across all grades. The Warringah Colts program for 2023 was a huge success and ensured the Club won the Eric Spilsted Shield for the Colts Championship. The dinner this year was a huge success with special guests such as Mrs Catchpole and Dick Byres both in attendance. The Catchpole medal winner was Michael Icely from Eastwood and Richard Manchee the winner of the Dick Byres medal for referee of the year. Our David Brockhoff Coach of the year was Cameron Treloar who had his first year as head coach of West Harbour.

But a successful season is not just 3 weeks of finals but a result of a concerted effort by many.

2023 saw changes across all clubs in personnel for General Managers and Coaches. We welcomed more new GMs. The GMs are an integral part of the success of our Competition and give willingly of their time and expertise to assist in its administration. Our Judiciary spent evenings this year dealing with

breaches of the law by players and also code of conduct issues. Fortunately 2023 saw fewer appearances at Judiciary than in some previous years but the contribution of the Judiciary to our competition cannot be underestimated and sincere appreciation goes to all the members of the Judiciary and their Chair, Adam Casselden.

During the course of the regular season well over 600 games were played with minimal instances either of injury or red cards. There were fewer red cards issued compared to 2022 and the number of blue cards (suspected concussion) was very much lower. This could be either non reporting or actual fewer instances. With the expected reduction in tackle height for season 2024 it is expected that the number of concussions will be reduced significantly. Of interest to Clubs is the fact that the vast majority of red cards are incurred in 2nd and 3rd Grades!

Our referees continue to contribute to our competition and their willingness to advise and discuss various issues ensures a good relationship between the two organisations. Appreciation must go to both David Marshall as President of the NSW Referees association, Frank Mickeljohn who coordinated the Shute Shield panel and also to both Alex Richards and Angus Cameron for their support and advice.

Player numbers are of concern especially with the inequities between clubs. Many factors impact player numbers and there is a national downward trend for teenagers and young children registering for organised team sports. Retention of players will become increasingly more important for clubs as will the recruitment of new players. Data analysis of registrations and transfers is on going and will be reported back to the General Managers at meetings in 2024.

The Player Points System continues to be a major discussion point amongst clubs. Over the years minor changes have been made but it is planned for 2024 that a major revision of this be carried out to determine what, if any changes etc are required keeping in mind the objective of the system. This year the average for 1st Grade was 51 out of a possible 100 points whereas in Colts the difference between the average and the maximum was very

# Competition Manager's Report cont..

much closer. Some questions to pose include if the PPS is required for Grade with a salary cap now in place?

Of more concern was the preponderance of overseas recruits to the competition and the possible displacement of developing local players. A minor adjustment to the PPS for 2024 has addressed this with more analysis to follow.

The draw for 2024 was released very early with the intention of allowing clubs extra time to organise trials, club days and venue changes. Many clubs now have moved away from the Super Saturday mode as it is often difficult to timetable all the games and the second field is often of lower standard. Once all clubs have reached agreement on their Colts and Grade fixtures a more detailed draw showing all venues and times will be publicised.

The continuation of all Shute Shield games being streamed live will continue in 2024 and it is hoped that there may even be a match each week on free to air. Obviously production costs for this are a limiting factor

but the Board and SRU General Manager continue to campaign for this to ensure exposure of grass roots rugby and our competition to as many spectators as possible.

Our competition would not be the success it is and have the respect that it does without the tireless efforts not only of the SRU board and its Chairman, Phil Garling but also with the efforts of the General Manager, Peter Watkins. The staff at NSWRU are also an integral part of our success and their advice and assistance especially from Suburban Rugby Director, Tim Richards and Community Rugby CEO Mark Green is invaluable.

But most importantly are the numerous, often not acknowledged volunteers and club staff who attend each week and both support our competition but ensure that it actually happens...without them we have no competition.

Appreciation goes to everyone involved and we hope to have an even more successful 2024 season.

**Kerry Brady**
