

CHILD SAFETY AND WELLBEING CLUB COMMITMENT STATEMENT

We are committed to keeping children and young people safe, respected and supported in rugby. We have zero tolerance for child abuse, grooming, neglect, bullying, harassment, discrimination or any other harm.

We will:

- Put children first and promote rugby as child-safe and child-friendly
- Listen to children and make it safe and easy to speak up, with more than one reporting option
- Set clear behaviour expectations for everyone involved in rugby, supported by Rugby AU's safeguarding, member protection and code of conduct requirements
- Choose safe people through appropriate screening and ongoing training
- Create safe environments in-person and online, including at training, games, travel and events
- Be culturally safe and inclusive, so all families feel welcome, valued and respected, and understand racism is not tolerated
- Keep improving by reviewing what we do and acting on feedback
